Juniors

Juniors (under 16 years) may join if one or both parents/guardians are active paddlers and members of the Club. Juniors must always be accompanied by their parent/guardian. The parent/guardian will ensure the safety of the juniors in and around the pool. The parent/guardian will be responsible for the behaviour of the juniors in their charge and if members of the Committee feel the behaviour of a junior is unsuitable they will not be able to continue attending. Each adult member can bring a maximum of two juniors to pool sessions.

Baldock & District Canoe Club is committed to the prevention of discrimination and the promotion of equality of opportunity for all and is committed to safeguarding and promoting the welfare of children and vulnerable adults and expects all members to share these commitments.
